Chairman's
Message

Dr. Khater Massaad

It gives me great pleasure and honor to introduce to you Star Porcelain products. Our long and successful experience in the field of ceramics & porcelain tableware, combined with creativity, technical know-how and knowledge of the international market, led us to create a new entity Star Fine Porcelain. At Star Porcelain we strive to produce designer collections with the best possible quality to suit most trends and satisfy our customers' requirements. We will not spare any effort to give the best services to our clients. By dealing with us you will enjoy the difference.

Managing Director's
Message

I have always found Porcelain Tableware fascinating - the beauty of a fine dining table setting on a white tablecloth with cutlery placed in the right places shows exquisite attention to detail.

With the best machinery from around the world, and professionals of the highest degree from a diverse number of countries, Star Porcelain Limited aims to offer you exactly that - exquisite attention to detail when serving you.

All our products, our employees and our services are at your service. You are not our customers, you are our partners.

the brand

Star Porcelain - The successful combination of professional experience, creativity, unique technical know-how, attention to finesse and the care given to the fine details, make Star Porcelain one of the leaders of the Porcelain industry.

Thanks to our technical know-how, the latest generation of industrial equipment and a creative team of experts, a high quality durable product is born, suitable for all professional hospitality businesses, offering a range of options from the most refined restaurants to the more demanding catering segment.

All our collections are designed by industry professionals for industry professionals, encompassing creativity, functionality, durability and timelessness. Created to meet the stringent specifications of the hospitality Industry, Star Porcelain, the high-grade alumina fully vitrified fine porcelain tableware brand can withstand the rigors of catering with their unsurpassed quality standards and incomparable structure. The exclusive designs of our collection provide the perfect showcase to spotlight the food turning every meal into a cuisine.

the company

Star Porcelain was created in 2012 by a group of partners having countless years of experience in the porcelain tableware manufacturing and distribution industry. Among these partners is businessman Dr. Khater Massaad, the Founder and Chairman of the brand Star Porcelain Fine Porcelain.

vision

Our vision is to create value by contributing to the success of its customers by providing best-in-class porcelain tableware designs and manufacturing solutions in high technology areas.

mission

Our Roadmap starts with our mission, which is enduring. It declares our purpose as a company and serves as the standard against which we weigh our actions and decisions. To refresh the world... To inspire moments of optimism and happiness... To create value and make a difference.

We pride ourselves in the quality of our products. In order to ensure that all our products meets customer and industry expectations they are all subject to rigorous and stringent testing in both inhouse and independent research laboratories.

Star Porcelain ensures the highest standard of Finished Products through state-of-the-art quality control Laboratories such as USFDA and California State Proposition 65 as certified by UKAS from the UK and has been accredited by ISO & Ceram Research UK for emerging as a superior quality Porcelain Tableware brand of World class International standards.

Our products have also been approved by the Vegetarian Society in UK as well as halal Certified to provide an ultimate and absolutely hygienic vegetarian solutions catering to satisfy the Vegetarian. This we have done not only for the highly competitive porcelain tableware industry but also for those markets that are solely and exclusively vegetarian.

Star Porcelain complies with the following International standards:

• Chip resistant	• Hygienic
• Dishwasher safe	• Durable
• Scratch resistant	• Microwave & Oven safe
• Chemical resistant	• 100% Vegetarian
• High thermal shock resistant

core
values

Consciousness:
We have been committed to working with organic and environment friendly materials. Today we contribute to the industry's development by not only choosing quality materials but by exploring environment friendly materials, like readymade powders and sulfur-free clean gas.

Integrity:
We're not afraid to take a stand on important social issues and we acknowledge and celebrate others who do the same. We stay true to who we are; to our style and beliefs.

Quality:
Our products are long lasting, both in terms of quality of the materials and through the timeless design that makes you use and love an Star Porcelain piece for many years to come.

Style:
We're not a trend anxious brand. We create style that lasts and we stay true to our design philosophy. Star Porcelain unites classic style with modern shapes.

Star Porcelain's products are produced at the plant equipped with the most modern state-of-the-art innovative production techniques. A creative team of professional experts have been proficiently combined to produce a high alumina, immensely creative and boundlessly durable cutting edge porcelain tableware brand of World Class Standard.

Star Porcelain is capable to produce variety and wide range of porcelain tableware for hotels or restaurants in premium quality which places Star Porcelain in a leadership position in the porcelain tableware industry, making it suitable for all fine hospitality, catering and food & beverage establishments.

Our collections are made by industry professionals for industry professionals, aiming to fulfill the continuing needs of modern gastronomy.

the
designers

Alain & Dominique Vavro
Our designers Alain & Dominique Vavro work with two heads, four hands and thousand colors. Sensitized to the vibrations of the masters' paintings, Mondrian's constructions and the furious Picasso, they remain faithful to pens, pencils, paintbrushes and tracing paper, allies that enable them to extend their ideas and catapult their images.

Dubbed by the greatest, including Bocuse, they have explored for more than twenty years, they constantly changing world of porcelain and tableware. Depositories of the designs for Star Porcelain new collections, they lend their experience and sensitivity at the service of this great project to make this company an aesthetic leader of high-end porcelain tableware.

Nilo Gioacchini
After completing his art studies and a period at the ISIA [Institute of Artistic industries] in Florence, he worked at the Studio of marcello- Nizzoli and associates in Milan as a design manager. All his work is characterized by a l methodological approach, a concrete, pragmatic attitude to projects, free from any conventionalism in terms of specialization or trends.

In over 35 years of professional activity he has worked with the most Important Italian and international companies. His work has been recognized by countless design publications, catalogues and magazines. He has received considerable international recognition including the "National Mobile Fair Competition" in Trieste, the Bayer Italia Special Award and the Abet Print Award. His projects have also participated in some of the most important national and international shows.

Nathalie Douce
Nathalie Douce, a French Artist-Designer, lives and works in Paris.
A prolific creator, working on unique and personalized objects through (inferior designs (objects, furniture and decorations) she now focuses essentially on design.

Besides- collections and decorations of porcelain which she creates for Star Porcelain", following her meeting with Dr. Khater Massaad in 2014, she works on the designs for ceramic industry (Sanitary, Tiles...) but also for the creation of new concepts for the international markets both for objects of regular use which is of practical applications and for the domain of luxury.

Her inspiration: Nature, Travel and her surroundings.
Her creative "engine": freedom and curiosity.

state-of-the-art technology

Star's philosophy is to keep the structural and aesthetic quality levels of all its products high. In order to reach top quality standards, its production facilities use state-of-the-art technology at every stage in total production process. To provide you the best, at Star we develop and employ state-of-the-art technologies that ensure the accuracy, consistency and safety of all that we create. The factory is equipped with the modern state-of-the-art and the latest machinery of SACMI, SAMA, REIDHAMMER, LIPPERT from Italy and Germany as well as using environmental, friendly high tech methods, extremely high firing temperature, premium-grade raw materials, optimum designs and the In-glaze Reactive & Reduction glaze firing processes procured from the world's renowned sources.

A special feature is the uncompromising management of critical production processes, consistent process monitoring and quality testing during production and continuous improvement of production processes guarantee consistently high quality, reliability and on-time delivery. State-of-the-art production systems ensure that manufactured work pieces are always identical and enable economical manufacture of both large and very small series.

Considering 10.50 million pieces production capacity per year of premium, exceptional quality porcelain tableware Star Porcelain has established itself at a very high standard level in the porcelain tableware industry as well - as ensuring less risk of breakage and 5 years warranty against chipping under normal horeca use.

Star started it's journey as an export oriented business concern producing real hard porcelain products for hospitality sector which must meet the highest standard for presentation, practicality and performance.

All of these world class combinations empower Star to stand out as a high-end, robust and professionally designed porcelain tableware brand of global standards.

color glaze

A complete line of dishes, salad bowls and cups very particular thanks to the processing that gives the colour and irreguler and not precise brush stroke effect.

After the first firing of the product, the colour base is placed than the metal reagents are applied and the final firing is done at 1380°. This is why the dish diffrent from the others and the product is shiny and resistant.

cottage

Cottage series has a colorful, stunning look characterized by re-active glaze fired on high temparature with irregular metallic border lines, glossy finishes, textural elements spackle, dots in any desired solid color background.

decal
decoration

Design must be functional, and functionality must be translated into visual aesthetics without any reliance on gimmicks that have to be explained. A formally harmonious product needs no decoration; it should be elevated through pure form.

Star Porcelan have its own decal plant with full fledged pre-pess setup. In-house macintosh dekstop facilty with skilled designers have ensured us to reflect exact color requirements (up-to 30 number of color) of any kind of decal artwork. Both Onglaze and under glaze is possible to fire based on design requirements i.e color decal, re-active (embossed), precious metal (Gold/Silver/Platinum).
